About This Game

Metal Suit Warrior is a FPS game base on VR device. Metal Suit Warrior is cartoon style which is different from the other vr game! You will meet those lovely Metal Suit Warrior in this beautiful town, and they just want to give you a warm hug! Get your weapon and try to survive in the battle!

You could choose different weapons while shooting the Metal Suit Warrior. And each of the weapon has its unique function to help you against different enemy.

There are more than ten levels in the game. Everyone either new gamer or old shooter can enjoy themselves in this game.

Come and join the battle!

The five countries in the planet Pangaea, a different dimension, have been waging a long-running war over the monopoly of the energy acceleration system Abis, a product of ancient civilization.

The five national representatives, who have suffered massive damage through three major wars, have thus far created the Five National Fighters, which have ended a senseless war and provided a four-year exclusive right to Abis and the right to control other countries through combat matches by suit heroes representing the nation in a special space.

And once again the Five National Fight is about to begin. Choose your own suit hero to dominate Pangaea.
